

## 55" Interactive whiteboard

### ZL55IWB

NOW WITH  
ANDROID 13

School

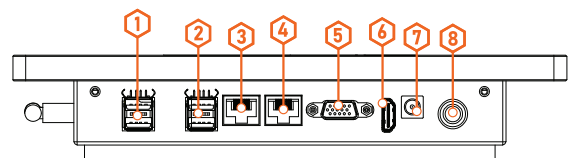

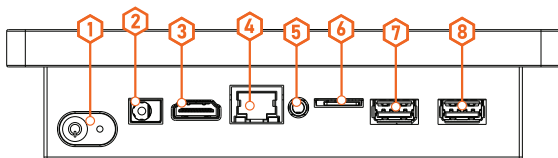

Office

Zuljana's interactive whiteboard is ideal for both education and business! The 55-inch super-sensitive flat 10-point touchscreen enables writing and drawing with fingers and pen. The RockChip and Intel® Core® CPUs ensure efficiency and reliability. In addition, mounting it on the wall saves space. Our interactive whiteboard can be utilized for both classrooms and working on exciting projects at work!
